

EFN POLICY ON EFN MEMBERS APPLICATION TO ORGANISE AN EFN GENERAL ASSEMBLY

In line with most Pan European Organisations operating in Brussels, the EFN has no particular selection criteria for an EFN member willing to host an EFN General Assembly in his/her country. All the members can ask to organise it. The only condition is that one General Assembly has to be in Brussels (April) and the other one can be abroad (October) – so, only one EFN General Assembly can be organised outside Brussels, hosted by an EFN member.

Procedure to be followed by the EFN Members:

- Inform the EFN Secretary General, at any time, that they want to organise an EFN General Assembly (GA) in their country.
- Make it clear when they would like to host the EFN GA and check if that year is not taken already!
- The decision on the dates is on first come first served basis - preferably ask well in advance (2 years at least).
 - If nobody else requested to organise an EFN GA on the date the EFN member wants, then it is put in the list as hosting the GA for that date.
 - But, if there are more candidates for that specific year/date, then it is up to the EFN members applying to host to talk to each other and decide which NNA organises the EFN GA and when.
 - A preference can be given to the EFN Member holding the EU Presidency on the same period requested to organise the EFN GA (see list below of upcoming EU Presidencies).
- For now, the next GAs are already fixed as follow:
 - ✓ Poland, October 2024
 - ✓ Brussels, April 2025
 - ✓ Ireland, October 2025
 - ✓ Cyprus, April 2026 (*Requested - Having the EU Presidency*)
 - ✓ Austria, October 2026
